12. The main point for orders is whether Govt have the power under the L. B. Regn & Rules thereunder to Constitute an Inam village into a Union, if it satisfies the usual Standard & even against the wishes of the Inamdar.

13. The difficulty in solving the question arises from the fact that the Inamdar are in most cases entitled under their Sanad to the realisations from whatever fields in their village & that by its Conversion into a Union, they lose that revenue.

I am not sure about this fact "
